About This Game

Big Fish Editor's Choice! This title was chosen for its high standard of quality and amazingly positive reviews from our Game Club beta testers.

Your father's illness has taken a turn for the worse. Now only the fabled Rose of Life can cure him, but it grows only in a kingdom far from your home. And you aren't the only one after it. The powerful witch Claudine craves its rejuvenating powers, and has stolen it from a prince, cursing his kingdom. She'll stop at nothing to make sure she's the only one who can use the Rose.

Team up with the prince and work together to stop Claudine. Your father's life, and the lives of the prince and his subjects, hangs in the balance. See what our Beta testers had to say:
